Hi David and Michele

Wanted to keep you in the loop on this letter we just sent to DOGGR and the State Water Board.

Thanks for taking a look.

Andrew

Subject: Aquifer Exemption letter on cumulative impacts

Hi Felicia and Ken

A number of environmental and community organizations would like to submit this letter requesting additional analysis on aquifer exemption applications, to look at cumulative impacts and macro level

effects of exempting multiple aquifers at once, as may occur in the coming months.

We look forward to hearing both DOGGR's and the SWRCB's response as to how each agency is considering this aspect of aquifer exemption review.

Thank you,
